

# Walk 'n Roll-a-thon

In partnership with

**Solidarity In Action Inc.**

ARTC is a community based non-profit adult day program providing social, recreation and therapeutic activities to individuals in our community who have diminished physical and cognitive abilities due to stroke, Parkinson's disease, Multiple Sclerosis and those who are frail and socially isolated living in our community.

With this event, we hope to raise awareness about the Adult Recreation Therapy Centre, one of Brantford's best kept community support secrets.

We hope to raise money to support the various programs offered at the centre.
